At the End of the

FOREWORD

It is with a mingled feeling of pleasure and sadness that we present to the students, parents, faculty, and friends of the Altamahaw Ossipee School the twenty-first, and final volume of "The Tomahawk." Many footprints have been made along the Tomahawk trail, many papooses have begun their education and grown into Indian maidens and warriors. Altamahaw Ossipee School opened in 1922 as a result of consolidation. Through the years many traditions have come into being, some of which will be carried on in the elementary school in the future. September of 1962 will mark the opening of a new era in our community as the new Western High School is opened. With it comes a challenge - new trails to follow, greater strides in the educational process.

To you, our readers, we give this 1962 TOMAHAWK as a memorial to all that we hold dear at Altamahaw Ossipee. May it be a fitting tribute to all those who have walked along the winding path that is soon to end.

AN HISTORICAL SKETCH

During the year 1921 the Board of Trustees of the Ossipee School and of the Altamahaw School met with Dr. C. E. Kernodle in his office at the Hub to formulate plans for a consolidated school. As a result a special bond election was held and the Altamahaw Ossipee School came into being as a consolidation of the Altamahaw, Ossipee, Maywood, Oakwood, Stony Creek and Iseley Schools. Completed in the fall of 1922, the school had ten teachers and 307 students. The 1923 graduating class numbered six. A.O.'s history is one of constant growth and advancement. This year marks the close of the high school as another consolidation is underway. September of 1962 will mark the merger of Elon, Pleasant Grove, and Altamahaw Ossipee into the new Western High School.

Dedication

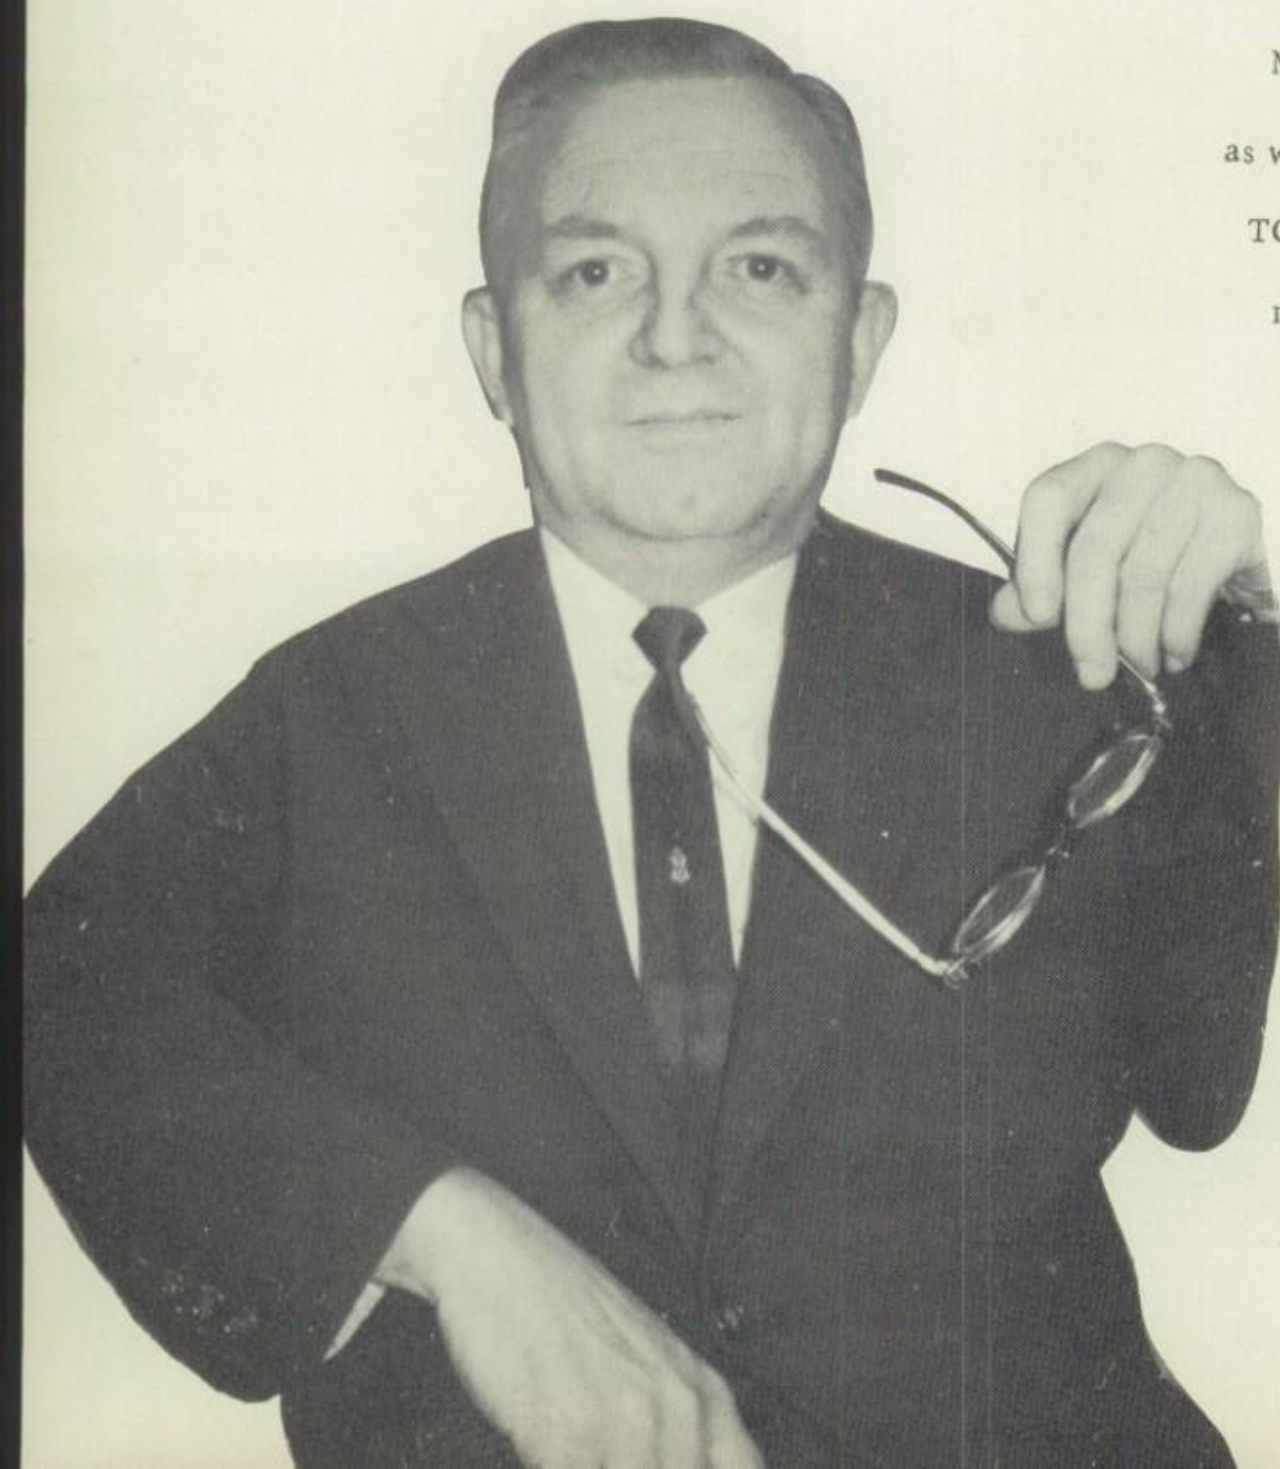

Through the foresight of its leaders, the Altamahaw Ossipee School has constantly grown and expanded since 1922. For the past eight years one of these outstanding leaders has served first as secretary and now as chairman of the local school committee. This man has worked tirelessly and diligently in setting high goals and standards for educational progress in this community and in all of Alamance County.

This man exemplifies the principles of a Christian gentleman as he stands firm in his convictions, speaks without hesitancy for what he believes is right, and constantly sacrifices himself for the realization of his "dreams" for the advancement of the young people in our schools.

His contribution to this school has been great and unrewarded. We take this opportunity to say "thank you" for the loyalty, guidance and service of

MR. JAMES NIMROD HARRIS

as we dedicate this volume of The TOMAHAWK to one whose marks will have a lasting imprint on "the Tomahawk Trail"

We Also Honor

- The loyal parents and students who give so freely of thier time and money to make every school project a success.
- Hundreds of teachers who have devoted their lives to the education of the most valuable asset any community has - its boys and girls . . .
- And especially those teachers who have taught for years and are still teaching in this school. .
- The leaders of the industries that have made Altamahaw and Ossipee better places in which to live by their interest in their employees-Glen Raven Knitting Mill at Altamahaw, Ossipee Weaving Plant of Burlington Industries, and Frissell Fabrics, Inc. . . .
- The ministers and churches of the Altamahaw Ossipee Community that serve to give us strength to go on when the trail becomes rugged. .
- The Alamance County Board of Education for its foresight and planning in providing educational facilities
- And as an added personal note, the TOMAHAWK staff would like to pay tribute to its co-advisers, Mrs. JoAnn Crews and Mrs. Jean Sadler, whose tireless labors are largely responsible for this production
- Mr. W.N. Reid, Mr. Fred Blanchard, Mr. Dan Ireland and Mr. L.H. Faucette, Jr. who, along with Mr. Nimrod Harris serve our school as "guiding lights" on the local school committee. . . .
- Those devoted men who have served as Altamahaw Ossipee School Principals, Messrs. H. C. King, David Miller, J. T. Harden, V. Mayo Bundy and H. O. Brannon.

Each member of the staff has in some way made this, the final Tomahawk, possible. The many duties range from being top salesman to expert counters. All this work has helped produce a yearbook that shows the trails of A-0 students in '61-62.

Work is never done until the last annual is distributed. Choosing a theme, planning lay-outs, taking pictures, typing and adding final touches to art work keeps the staff constantly busy. The goal of staff members is to present a full coverage of the classes, clubs, activities, faculty and students who travel the winding trail at Altamahaw Ossipee School.

Our Student Council represents the entire student body, and strives for the betterment of the school by carrying out worth-while and challenging projects. Students feel that the council is both their agent of expression in the school and their connection with the administration.

In all areas of student activity, the council has full support of the administration. The activities of the council are many and varied - operating concession stands at ball games, conducting student elections and assemblies, presenting programs, holding student court sessions, policing grounds, and directing traffic on campus.

Hooper Harris, is installed by his father, J.N. Harris as Johnny Walker, Jan Ross and Clay Smith look on.
